

Liberty Veterinary Hospital Boarding Checklist

Allow 10-15 minutes for paperwork with receptionist (if your pet is having surgery while staying, you will need additional time to speak with a technician as well). Below are some of the questions you can expect we will ask:

- Please bring cats in carriers labeled with your name
- An emergency phone number for us to call. _____
- Stool sample (done with every boarding stay at no charge if current on yearly fecal)
- What toys and treats you are leaving (type of toys, colors, etc.)

- Your pets usual food and let us know how much and how often you feed. How often do you give treats?
Food: _____
Times and quantity you normally feed?
am _____ mid _____ pm _____
Treats given and when? _____
- Would you like VIP? _____
- Would you like bed rental? (when available - included with VIP for dogs boarding in runs) _____
- Are there any behavioral or other issues we should be aware of?

- Is your pet diabetic or on any medication? If yes, please bring in meds and keep in original containers so we can document them properly.
- Do you need any heartworm prevention? _____
flea and tick prevention? _____ What kind do you use? _____
Quantity if needed? _____
Do you need any dispensed to your pet while with us or just need to take some home at pick up? _____
- Would you like your pet bathed or groomed while here? (usually done the last day)

- Does your pet need any medical services while here?

Anal glands expressed? _____
Nails trimmed? _____
- Who has permission to pick up your pet? _____
(Credit card on file for ease in pick up?)
